BOUSTEAD SUBSIDIARY AWARDED S\$23M CONTRACT TO BUILD OXLEY'S 20-STOREY COMMERCIAL DEVELOPMENT AT ROBINSON ROAD

- ***First commercial property project undertaken by division within Singapore's Central Business District***
- ***Third business space project undertaken by division***
- ***Boustead Group's order book backlog raised to S\$335 million***

Singapore, 13 December 2012

Boustead Singapore Limited ("Boustead") is pleased to announce that its wholly-owned subsidiary, Boustead Projects Pte Ltd ("Boustead Projects") – a leading specialist in real estate solutions – has been awarded its first commercial property project within Singapore's Central Business District ("CBD"), a S\$23 million contract to build Robinson Square, for developer, Oxley Blossom Pte Ltd ("Oxley") to be located at 144 Robinson Road in Singapore.

The developer is a subsidiary of Oxley Holdings Limited, a lifestyle property developer engaged in the development of quality residential, commercial and industrial developments that cater to upwardly mobile homebuyers and business enterprises. Oxley's portfolio of property developments includes lifestyle-focused residential spaces and mainly freehold and 999-year leasehold properties in choice precincts that are easily accessible via public transport and surrounded by amenities.

Artist's impression of
Robinson Square

Situated right in the heart of Singapore's CBD and a short distance from Tanjong Pagar MRT Station, the 20-storey Robinson Square will house 32 office units, five retail shops, a fitness centre with a pool and a mechanised carpark for tenants. The office units will be designed with varied floor-to-floor heights ranging up to a maximum of 4.9 metres, with each quality office space having its own direct lift access.

Robinson Square offers 4,755 square metres of gross floor area and is expected to be completed in the last quarter of calendar year 2016.

Mr Thomas Chu, Managing Director of Boustead Projects said, "We would like to thank Oxley for selecting Boustead Projects as their partner to build Robinson Square. As this is our initial foray into a commercial property project in the CBD, Robinson Square represents an exciting first project to undertake in this area and will be a great addition to our already strong portfolio of projects delivered in Singapore. We will tap on our expertise in

designing and building quality secondary business spaces outside of the CBD – such as 50 Scotts Road and StarHub Green – to ensure that Robinson Square lives up to expectations.”

The latest contract has raised the Boustead Group’s order book backlog (as at the end of September plus new orders since then) to S\$335 million.

The latest contract is not expected to have a material impact on the profitability, earnings per share and net asset value per share of Boustead in the current financial year ending 31 March 2013.

None of the Directors or controlling shareholders of Boustead has any interest, direct or indirect, in this contract.
